

CONFLUENCE OF WATER ENGINEERS

The Water Engineering Panel, Sydney Division is holding its annual networking event on the evening of 2 March 2010.

For those who have not attended the event in previous years, the night is dedicated to provoking discussion between like minded people who are interested and/or working in the field of water engineering. The event takes place in a casual environment with drinks and canapés provided.

The Chair will introduce the Water Engineering Panel, Sydney Division and explain how it promotes its aim of advancing knowledge and interest in the field of water engineering. The Chair will also provide a précis of the seminars which will be held over the course of 2010.

When: Tuesday 2nd March, 5:30-7:30pm

Where: Engineers Australia Auditorium, Ground Floor, 8 Thomas Street, Chatswood NSW 2067

Further details: Karen Brakell, ph 92725346 (klancaster@pb.com.au)
