Australian Rainfall and Runoff – Full day Workshop

The ARR revision team is running a full day workshop on Monday 19th November in Sydney. The workshop will run from 10am - 4.15pm at UTS, Sydney. Room details will be confirmed closer to the date.

A preliminary schedule is included below however this is subject to change depending on whether outcomes of other projects are available at the time.

Time	Topic
9.30-10	Coffee and tea on Arrival
10-11	Welcome and ARR overview, ARR and Climate Change
11-11.20	Morning Tea
11.20-12.15	Delivery Method and Delivery timeframe
12.15-12.30	Books/Roll out Review Process
12.30-1.30	Lunch
1.30 -2.00	Project 5 Software and roll out
2.00-2.30	Project 6 Losses Developments
2.30-3	Temporal Patterns
3-3.15	Afternoon Tea
3.15-3.45	Test Catchments Program
3.45-4.15	Project 11 and 7 Rollout

The cost of registration is \$150 (inc. GST). Places are limited so Register NOW! Registration is open to those attending or not attending the Hydrology and Water Resources Conference. For those attending the Hydrology and Water Resources Conference 19-22nd November - Please note that registration for this event is separate to registering for the conference. Some overlap may occur with papers presented at the conference but we will endeavour to minimise overlap.

Register at <https://events.engineersaustralia.org.au/ei/getdemo.ei?id=1431&s= 2MW0SCI34>

Morning Tea, Lunch and Afternoon tea is included in the registration price. Please advise at time of booking if you have special dietary requirements.
